

FOREST HEIGHTS MIDDLE SCHOOL

February 2010

It's hard to believe that we are well in to February already. I hope you and your family took advantage of the inclement weather days we recently encountered with some quality family time. I would like to highlight the remaining activities that you are invited to attend.

The undefeated conference season, eight grade Lady Eagles basketball team will play in the championship game next Thursday, February 21st at 5:30 at Hall High School. Come on out and help cheer them on to victory!!! The seventh grade boys won the LRSD basketball championship with a 52-43 victory against Pulaski Heights and a 63-15 victory against Henderson last Saturday, February 13th. Way to Go Eagles!!!!

The Honor's Assembly that was scheduled for this past Tuesday has been rescheduled for next Tuesday, February 16th. Please see the calendar on the back of this memo for the times. We would love to have you in attendance as we honor our students for their academic achievement.

In honor of Black History Month, an inspirational program will be held Monday, February 22 at 2:45.

February 15th, will now be a student contact day as a make-up day for one of the days the students missed due to inclement weather. You will be notified of the changes in the school calendar as soon as a decision is made.

The counselors will soon begin to meet with your child to decide electives for the 2010-2011 school year. Students will bring home a copy of their schedule March 29 –April 9. Signed forms are to be returned to your child's counselor. Call your child's counselor if you have any questions concerning their schedule for next year.

Parent Conference Days are scheduled for Tuesday and Thursday February 23 and February 25 from 3:50-7:00. All parents will have a specific conference time which will be sent home by your child's first period teacher next week. All teachers will be present for you to speak with. If you have not completed an Academic Improvement Plan (AIP) with your child's English or Math teacher, if he/she were not proficient on the Benchmark exam last spring, then is imperative that it is done at this time.

I continue to solicit your support in enforcing the dress code. Sagging continues to be a big concern. I would like to remind you that leggings worn as an outer garment are not allowed. Students are not allowed to wear the large chain ropes and pocket chains as part of their school attire.

Thank you for your donations for "Hearts for Haiti" drive. It has been extended until February 19, 2010.

With Much Eagle Pride,

Wanda Ruffins
